Central Community Gardens was established for the purpose of providing garden space for people. The Garden is a welcoming garden, where we grow healthy plants, flowers & food for yourself and others, share knowledge, nurture relationships, and have fun.

Garden Plots Rental Information:

- \$28 for 10X20
- \$ 38 for 20'X20' (\$.06 per square foot thereafter)
- If a Gardener has interest and ambition but the rent is a stretch, no cost.
- Plots are prepared for you!

The benefits to participating in a community garden include: some supplies, education, group buying, friends, flowers, and fresh food.

Sponsors are needed for: rainwater tank & lines, fence, seed, donated plot, or your time. Community sponsors receive advertising for their donation.

Central Community Gardens has sponsored orchards, edible woodies, perennials & pollinator flowers, and plants.
